Volunteering at Mary's Meals International:

Our mission, vision, and values are at the very heart of everything we do here at Mary's Meals, we believe in the innate goodness of people, respect the dignity of every human being and family life and believe in good stewardship of the resources entrusted to us. Without thousands of incredibly dedicated volunteers across the world, our work would not be possible. Thank you for gifting your time, energy and skills to support us in the furtherance of our mission.

Volunteers are crucial to our success. They form an essential part of the unstoppable driving force behind us reaching the next child waiting for daily meals in their place of education. We are fortunate to benefit from the expertise of volunteers who give their time and skill to help us progress key pieces of work, to support the growth of our movement.

Purpose:

You will help to review the data protection processes in place across Mary's Meals. You will be key in supporting our mission to enable people to offer their money, goods, skills, time, or prayer, and through this involvement, provide the most effective help to those suffering the effects of extreme poverty in the world's poorest communities.

Key Activities:

- Review and evaluate data protection practices across the Mary's Meals family
- Review current data protection reporting
- Identify potential areas of duplication and / or improvement

Experience/skills and attributes you will need:

- Data protection qualification
- Experience of undertaking gap analysis
- Experience of working with international NGOs
- Happy to work remotely and independently

Training & ongoing support:

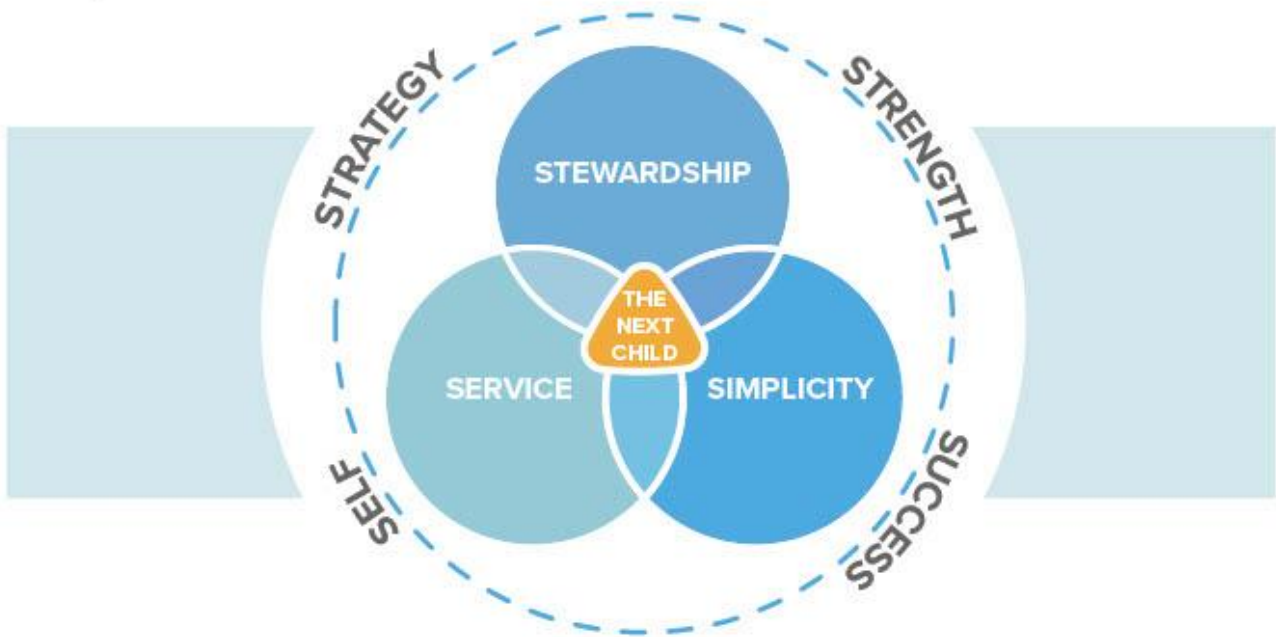

- You'll receive guidance to help you learn more about our work, including systems, processes, and reporting steps, and you'll always have someone to ask if you need help.

Safeguarding:

In line with our values, Mary's Meals is fully committed to a culture of safeguarding. As a volunteer you will be required to uphold the standards outlined in MMI's Safeguarding Policy, acting with due care and attention to safeguard anyone that comes into contact with our work.

ASPIRATION INTO ACTION

Empowering our people to deliver on the promises we make is at the heart of our mission and is more crucial than ever if we're going to turn our aspiration into action. As our movement continues to grow we need to make sure we work harder than ever to: a) keep things **simple** b) remain completely committed to **servicing** the children at the heart of our organisation and c) be terrific **stewards** of the gifts that are entrusted to us. These three elements of our unique culture will accelerate our journey and help us reach the next child sooner.

SIMPLICITY

We will remain focused on our core vision – that every child should receive a daily meal in school – and communicate the needs of the children we serve and the nature of our mission in a straightforward, open and transparent way.

SERVICE

We will approach our vision and mission in a spirit of deep vocation and humble service, seeking always to be faithful servants of hope, the global movement, and those little ones who eat Mary's Meals each day.

STEWARDSHIP

We will strive to be good stewards of every gift entrusted to us – treating each one with deep love, respect and gratitude – and build meaningful, long-term relationships with all those involved in our work.
